Updated COVID-19 Public Health Recommendations for Youth Sports

Playing sports has a range of physical, emotional and interpersonal benefits. Due to increased exhalation that happens during physical activities, some sports can put players, coaches, and others at increased risk for COVID-19. Several outbreaks of COVID-19 associated with youth sports were reported in 2020-2021. [See updated guidance.](#)

Updated 9/23/2021
